

**AGREEMENT FOR AWARD OF
COOPERATIVE WATERSHED MANAGEMENT GRANT FUNDS
BETWEEN THE CITY OF NORTH BEND AND KING COUNTY**

This Agreement is made between King County, a municipal corporation, and the City of North Bend (referred to herein as “Recipient”), for the purposes set forth herein. This Agreement shall be in effect from the date of execution to December 31, 2017.

SECTION 1. RECITALS

- 1.1 Whereas, the King County Flood Control District (“District”) is a quasi-municipal corporation of the State of Washington, authorized to provide funding for cooperative watershed management arrangements and actions for purposes of water quality, water resource, and habitat protection and management;
- 1.2 Whereas King County is the service provider to the District under the terms of an interlocal agreement ("ILA") by and between King County and the District, dated February 17, 2009, as amended, and as service provider implements the District's annual work program and budget;
- 1.3 Whereas, the Board of Supervisors of the District, the District’s governing body, passed Resolution FCD2012-11.2 on October 29, 2012, authorizing the King County executive or his designee to develop and administer a grant award program of up to \$3,150,000 in 2013 for water quality and water resources and habitat restoration and management projects and activities allocated in the amounts of \$1.2 million for WRIA 8, \$1.2 million for WRIA 9, \$600,000 for the Snoqualmie Watershed and \$150,000 for WRIA 10 projects in King County, provided that the project list is approved by the District executive committee;
- 1.4 Whereas, in accordance with Resolution FCD2012-07.2 and in its capacity as service provider to the District, King County has established a grant award program to fund water quality and water resources and habitat restoration and management projects and activities (“Cooperative Watershed Management Award Program”);
- 1.5 Whereas, the Recipient has submitted an application to the WRIA 8 Forum for the Project and the Forum has recommended the Project for funding under the Cooperative Watershed Management Grant Program in accordance with King County’s Cooperative Watershed Management Grant Program Policies and Procedures, a copy of which has been furnished by King County to the Recipient and which are incorporated herein by this reference (“Grant Policies and Procedures”);
- 1.6 Whereas the District’s Executive Committee has received a list of proposed projects that includes the Project, as described in **Exhibit A** attached hereto and incorporated herein by this reference, and the Executive Committee has approved the Project for funding up to the amount of **\$40,000**;

- 1.7 Whereas King County has received a Scope of Work and a Budget for the Project from the Recipient and has determined that the Scope of Work, attached hereto and incorporated herein as **Exhibit B** (“Scope of Work”), and the Budget, attached hereto and incorporated herein as **Exhibit C** (“Budget”), are consistent with the Grant Policies and Procedures;
- 1.8 Whereas, King County and the Recipient desire to enter into this Agreement for the purpose of establishing the terms and conditions under which King County will provide funding from the District in accordance with the Policies and Procedures, and the Recipient will implement the Project.

SECTION 2. AGREEMENT

- 2.1. The Recitals are an integral part of this Agreement and are incorporated herein by this reference.
- 2.2. King County agrees to award the Recipient an award in the total amount of **\$40,000** from District funds (the Award). The Award shall be used by the Recipient solely for the performance of the Project, as described in Exhibit A of this Agreement. King County shall pay the Recipient in accordance with the Grant Policies and Procedures.
- 2.3. The Recipient represents and warrants that it will only use the Award for the Scope of Work of this Agreement and in accordance with the Project Budget. The Recipient shall be required to refund to King County that portion of the Award which is used for work or tasks not included in the Scope of Work. Further, the Recipient agrees to return to King County any portion of the Award that is not expended or remains after completion of the Scope of Work.
- 2.4. Activities carried out for this Project and expenses incurred by the Recipient may predate the execution date of this Agreement provided that 1) they have been identified by Recipient as being within the scopes of numbers 2) and 3) below, and have been approved by the County as being within such scopes; 2) The activities are specified in the Scope of Work of this Agreement; 3) the expenses are incurred in carrying out the Scope of Work and are authorized by this award as identified in the Budget of this Agreement; 4) such activities and expenses otherwise comply with all other terms of this Agreement; and 5) reimbursements shall be paid to the Recipient only after this Agreement has been fully executed.
- 2.5. The Recipient shall invoice King County for incurred expenses using the Request for Payment form and Progress Report, attached hereto and incorporated herein as **Exhibit D**, for those documented and allowable expenses identified in the Budget and according to the rules set forth in the Grant Policies and Procedures. A progress report (with or without a request for payment) shall be made no less frequently than every six months after the effective date of this Agreement nor more frequently than every three months after the aforementioned date. Advances are allowable only for anticipated expenses to be

incurred in the next three months from the date of submission of the Request for Payment for work that is included in the Scope of Work of this Agreement, and identified as such in the Request. Documentation of payments made from advances shall be submitted to King County prior to any further requests for payment. No advances shall exceed 80% of the total Award. The final request for payment shall be submitted with the final report described in Section 2.6 of this Agreement and shall be no less than 20% of the Award.

- 2.6. The Recipient shall be required to submit to King County a final report which documents the Recipient's completion of the work in conformance with the terms of this Agreement within thirty (30) days after the completion of the work and submit a Close-out Report (Exhibit E of this Agreement). The final report shall, among other things, summarize the project's successes and shall address the watershed benefits accomplished by the work in a format provided by King County for this purpose as set forth in the Grant Policies and Procedures.
- 2.7. The Recipient's expenditures of Award funds shall be separately identified in the Recipient's accounting records. If requested, the Recipient shall comply with other reasonable requests made by King County with respect to the manner in which Project expenditures are tracked and accounted for in the Recipient's accounting books and records. The Recipient shall maintain such records of expenditures as may be necessary to conform to generally accepted accounting principles further described in Section 2.8 below and to meet the requirements of all applicable state and federal laws.
- 2.8. The Recipient shall be required to track project expenses using the Budget Accounting and Reporting System for the State of Washington ("BARS") or Generally Accepted Accounting Principles set forth by the Financial Accounting Standards Board or by the Governmental Accounting Standards Board.
- 2.9. King County or its representative, and the District or its representative shall have the right from time to time, at reasonable intervals, to audit the Recipient's books and records in order to verify compliance with the terms of this Agreement. The Recipient shall cooperate with King County and the District in any such audit.
- 2.10. The Recipient shall retain all accounting records and project files relating to this Agreement in accordance with criteria established by the Washington State Archivist Local Government Common Records Retention Schedule (CORE) as revised.
- 2.11. The Recipient shall ensure that all work performed by its employees, agents, contractors or subcontractors is performed in a manner which protects and safeguards the environment and natural resources and which is in compliance with local, state and federal laws and regulations. The Recipient shall implement an appropriate monitoring system or program to ensure compliance with this provision.
- 2.12. The Recipient agrees to indemnify, defend and hold harmless King County, and the District, their elected or appointed officials, employees and agents, from all claims, alleged liability, damages, losses to or death of person or damage to property arising out of any acts or omissions of the Recipient, its employees, agents, contractors or

subcontractors in performing its obligations under the terms of this Agreement.

- 2.13. The Recipient agrees to acknowledge the District as a source of funding for this project on all literature, signage or press releases related to said project.

SECTION 3. GENERAL PROVISIONS

- 3.1. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.
- 3.2. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof. No prior or contemporaneous representation, inducement, promise or agreement between or among the parties which relate to the subject matter hereof which are not embodied in this Agreement shall be of any force or effect.
- 3.3. No amendment to this Agreement shall be binding on any of the parties to this Agreement unless such amendment is in writing and is executed by the parties. The parties contemplate that this Agreement may from time to time be modified by written amendment which shall be executed by duly authorized representatives of the parties and attached to this Agreement.
- 3.4. Each party warrants and represents that such party has full and complete authority to enter into this Agreement and each person executing this Agreement on behalf of a party warrants and represents that he/she has been fully authorized to execute this Agreement on behalf of such party and that such party is bound by the signature of such representative.
- 3.5. The Project shall be completed by no later than December 31, 2017. In the event that the Project is not completed by this date, King County has the discretion, but not the obligation, to terminate this Agreement and request and receive any unexpended Award funds that may be held by the Recipient.
- 3.6. This Agreement may be signed in multiple counterparts.
- 3.7. If any provision of this Agreement or of any other agreement, document or writing pursuant to or in connection with this Agreement, shall be wholly or partially invalid or unenforceable under applicable law, said provision will be ineffective to that extent only, without in any way affecting the remaining parts or provision of said agreement, provided that the remaining provisions continue to effect the purposes of this Agreement.
- 3.8. The amount of the Award has been fully funded by the District. To the extent that funding of the Award requires future appropriations by the King County Council, King County's obligations are contingent upon the appropriation of sufficient funds by the King County Council to complete the Scope of Work. If no such appropriation is made, this Agreement will terminate at the close of the appropriation year for which the last appropriation that provides funds under this Agreement was made.

This document has been approved as to form by the King County Prosecuting Attorney's Office as of July 15, 2012.

Invasive removal and control	Removal/control of English ivy, English holly, Himalayan blackberry, and Bohemian knotweed on a minimum of 18 acres of the forest completed by volunteers, conservation corps crews and Greenway Trust staff. The project site is located in the northeast quadrant of the Tollgate Farm East Bookend, bordering the South Fork Snoqualmie River (see map).	60%	September 2015
Volunteer participation	The Greenway Trust will recruit 100 volunteers who will contribute at least 500 volunteer hours at a minimum of four (4) planting and invasive removal volunteer events. The Greenway Trust will recruit volunteers from across the Greenway, including local community members, school groups, businesses, and others. Volunteer events will be promoted in a variety of locations, and will be scheduled in partnership with the City of North Bend. Events will generally run from 9:00am to 3:00pm, with a morning shift, an afternoon shift, and an all-day shift. Volunteers will receive instruction, training, guidance and management from Greenway Trust staff and AmeriCorps volunteers.	10%	December 2015
Bareroot Tree Planting	The Greenway Trust will supervise the installation of a minimum of 1,000 native conifer trees planted in phase 2. Plant installation will take place on private and public lands identified and cleared of knotweed in earlier stages of the project. WCC (AmeriCorps) crews will perform the majority of plant installation. Volunteers will assist with installation of potted plants as part of the <i>Volunteer participation</i> component of this project.	10%	December 2015
Maintenance and Monitoring	The Greenway Trust will complete one to two work parties annually to maintain the site, and commits to maintaining a minimum of 80% survival of installed plants and that invasive weed cover will be less than 20% throughout the project site after two years.	20%	December 2017
